

## The Decade of action for Road Safety: Time for Results

## The European Road Safety Charter Online Workshop

27<sup>th</sup> January 2016 – 11:00-12:00 CET

*For those who were not able to attend the Global High-Level Conference on Road Safety in Brasilia in November 2015, the webinar will be an opportunity to learn about the event and its main outcomes, and find out more about the results already achieved within the Decade.*

### Introduction

**Susanne Lindahl**

The EC perspective on the Decade

*Policy officer at DG MOVE, European Commission*

The Global High-Level conference on Road Safety and how it contributes towards reaching the Decade objectives

**Margie Peden**

*Coordinator, Unintentional Injury Prevention at WHO – World Health Organization*

Example of a European country: Spain's participation in the Global High-Level Conference and its contribution towards the Decade of actions for Road Safety

**Carmen Girón**

*Head of the International Department at DGT – General Direction of Traffic, Spain*

### Moderation

**Martine Aitken**

*Project manager at the European Road Safety Charter*

### Questions and answers

Chat moderated by **Eva Prudilová**,

*Communication Coordinator at the European Road Safety Charter*
