Date of start and end of the initiative	2015-2016 school year	The initiative can be new or the continuity of already existing activities. It can have ended recently or be still in process
Departments/persons implicated internally	First Aid departament and volunteers	In the case of persons, indicate their positions
Geographical scope of the activities	Primary and secondary schools in rural areas	Indicate where the activities were implemented
Summary of the initiative	Our educational concept for this theme , first aid , based on the idea that life is a constant struggle for survival. Succeed in life , not just the most powerful but also the most skilled and preparation through education , first aid and student gives children an additional argument . Specifically, in the form of practical presentations children have the opportunity to discover what you need to do some unusual situations , but common , especially in medical situations where they are alone . They not only see and learn , practice and practice first aid.	Describe the initiative indicating the subject, its aim and the main activities it involves. Max: 100 words
Innovative character	The innovative character of the presentations first aid , carried out by our schools is the fact that the discipline is not included in the national school curriculum , even optional . Either these children in rural areas need as children of the city to know what to do in certain medical situations daily	If applies, describe to what extend the proposed initiative will lead to new approaches and practices Max: 100 words
Issues that are addressed with the initiative	Schools in villages and Horia Cross , Constanta County , about 500 students . Among other things , the project conducted by us and Horia was awarded the presidency as the only project applied to a rural school in Romania in the last 26 years !	Describe which issues were identified that lead to implement the activities Max: 100 words

<p>Activities developed</p>	<p>The presentations were in the form of supported films ppt sites for each of the 8 modules of the course first aid , cardiopulmonary resuscitation emphasizing the special children practiced on mannequins .</p> <p>The companies said that financial and logistical support us in other initiatives and projects have provided travel expenses, achiționarea of mannequins other required course materials , and provision of incentive prizes for those keener children.</p>	<p>Describe all the activities involved in the initiative and where appropriate indicate the participation arrangement for each partner</p> <p>Max: 600 words</p>
-----------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p>Genesis</p>	<p>I explained above , first aid material not included in the curriculum , and these schools belong to remote villages in need of medical assistance and helping the chances that reasoning going on between members of the community are now higher. Children are aged 10-12 years and appreciates WHO as well as ERC guide , each child can help a medical condition limit</p>	<p>Reasons why you chose this initiative</p> <p>Max: 100 words</p>
<p>Transferability and multiplier effect</p>	<p>This initiative which we operate for years in schools in Romania , being trained so far over 5000 children, we apply not only here but in other counties of Romania, including Bucharest.</p> <p>Here, in the same schools , along with first aid and road education we have subsequently held another interesting language for children. We started from the idea that to understand and communicate with the adult world children need to learn and know the road signs , their logic .</p>	<p>Describe to what extent the proposed initiative will allow the transfer, general spread, dissemination or application of the results, experience, knowledge and good practice on a large scale</p> <p>Max: 200 words</p>

Promotion and dissemination

One way to promote the school year of first aid is the web publishing its website , the partners in the local press and on television , and children receive personal a leaflet that bear them at all times , which presents key sfautri learned and taught us.

Describe whereby the initiative will be publicised (publications, organised events, websites, CD-ROM, etc.).

Max: 100 words

<p>Continuity</p>	<p>First aid education new school every year we continue extending coverage to more and more schools both in Bucharest and at the same time and in other areas, especially rural areas.</p>	<p>Indicate if there is a plan to continue some activities in the coming years</p> <p>Max: 100 words</p>
<p>Evaluation of the activities</p>	<p>Periodically, back in the schools where I conducted these courses and recap some modules that were not well understood or poorly explained. As we know, ERC protocols are updated every 5 years , 2016 being the first year the new methodology and then we will prepare these students .</p>	<p>If relevant, describe the proposed evaluation method and the quality of the result indicators in relation to the expected objectives</p> <p>Max: 100 words</p>
<p>Other important aspect that you want to underline</p> <p>P.S.</p>	<p>A relevant aspect is that children are more susceptible than adults , perhaps because the first aid is to them something new, unique , while adults are more refractory multiple causes, one of them enough.</p> <p>In an attachment to send you relevant photos from the two school classes first aid or road education</p>	<p>Any information that could help the jury to chose your initiative</p> <p>Max: 100 words</p>
